

DARE TO BE BOLD

PRESERVATION™

COLORBODY™ PORCELAIN STONEWARE
RECTIFIED | 3D PRINTING TECHNIQUE

MARAZZI 
DARE TO BE BOLD™

PRESERVATION

Preservation captures the seductive beauty of reclaimed wood with ColorBody™ rectified porcelain that's both more versatile and easier to maintain than real wood. Sensual organic colors add depth and sophistication while extensive variability entices the eye to linger and savor every last detail. Advanced 3d imaging replicates the gorgeous nuances of reclaimed wood, aged and enhanced with heavily grained saw cuts, and worn, scraped, unfinished boards.
